

SECOND ANNUAL

Aqua Run

10k Relay & 2k Walk

Sponsored
By:

SATURDAY, AUGUST 13, 2016
8:00 A.M. | ELMWOOD PARK

The Aqua-Run is a 10k relay race that will challenge a team of five to transport a half gallon of water in a hydration pack the fastest across the finish line. After the run starts, there will also be a 2k family fun walk. Then, join us for breakfast with “The Pancake Man”.

This event will raise awareness of the struggles women in developing countries face having to collect and transport water. The event is hosted by Aqua-Africa, a non-profit organization that provides clean water access to East African communities.

Form your race team and sign up NOW!

Register and learn more about the event at: Aqua-Africa.org.

Advance Registration is required for both the run and the walk.
