## About Faith Mission of Elkhart and Those It Serves

Faith Mission is the only emergency facility in Elkhart County where shelter, meals, clothing and long-term recovery programs are provided all in one place. Our doors are open 365 days a year to Michiana's hungry and homeless men, women and children. On average over 700 individuals are housed in a year.

To meet basic needs, Faith Mission offers:

- **Transportation** to interviews and jobs
- **Clean clothing** from the Faith Mission Thrift Store free of charge to all residents
- **Referrals to local services** for specialized health care and job readiness
- **Partnerships with other community organizations** to provide the broadest, most comprehensive services possible for those in need
- **Free walk-in meals** to the community served 365 days a year

Once a person's immediate needs are met Faith Mission offers long-term care and life-changing solutions so that men and women begin to understand the causes of their problems and gain the skills and spiritual strength necessary to recover and start new lives as successful productive members of the community.

Faith Mission is a Christian organization that believes meeting the spiritual needs of those who come to us is equally as important as providing food on the table and a warm clean bed.

The Turkey Stampede is the only major fundraiser for the mission. All proceeds go towards the housing and programs that benefit homeless men, women and children.
